**Subject:** [SPAM] RE: list of data items for Tower Standard

Hi Bob:

I'm out tomorrow but will try to get you our list on Monday. Have a good weekend.

**We are committed to service excellence.**

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.

**Subject:** list of data items for Tower Standard

Hi Chris,

One of the items on the managers list of things to do was to provide a list of Tower Standard sampling to share with all parties. Below is our list.

Can you add the list of data from your side to the list below? Once we have our list finalized, we can send it off to LDF for their additions.

Thank you.

Bob

**Private Well Samples-** 9 locations, 14 total samples collected in November 2014 and September 2015.

**Soil Boring Samples-** 17 samples collected in September 2015. Some co-located with REI sample depths, some independent samples. (Source Area)

10 samples collected in April 2016. (Source Area)

**Groundwater Sampling-** 4 samples collected in April 2016. (MW 21 and MW 16 nests)

6 samples collected in August 2016. (MW 21 and MW 16 nests after 2 wells installed by EPA)

**Air/Vapor Samples-** 1 indoor air, 1 outdoor air and 1 sub-slab sample collected in April 2016 at site building.
